

### Leaving so soon?

You have one more person to meet. This time look for the person you've been trying to avoid at this party, the one you find intimidating, or the one that you are least likely to take seriously.

**Who is it?**

### The party is not over

We hope that by now you'll want to continue to interact with the other portraits in the gallery. You may pick up another guide if you'd like and start over.

**Now that you have met a few new people, tell us again: What does peace mean to YOU?**

# A PEACE OF MY MIND

## WHAT DOES PEACE MEAN TO YOU?

### Exhibit Guide

Often when we think of peacemakers, great names come to mind—Gandhi, Rosa Parks, and Nelson Mandela. But for every famous peacemaker, there are tens of thousands whose names we will never know, who work hard each day to make the world a more just and peaceful place. 'A Peace of My Mind' is filled with stories of these everyday heroes. Their stories remind us that no effort is too small and that each of us can make choices every day that can help move us toward a more peaceful world.

**Before you begin, please tell us: What does Peace mean to you?** (We will ask you again at the end of the visit.)
